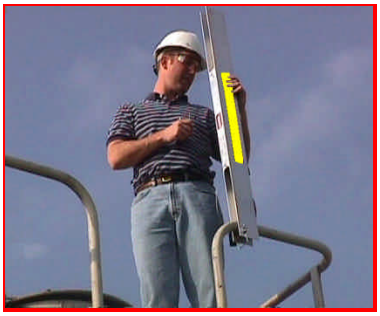
Salco's Handrail Guard Helps Ensure Workers' Safety

SALCO's lightweight aluminum handrail safety guard assembly is designed to provide a safer area for personnel working on the platforms of tank cars

- **Equipped with a polypropylene carrying strap.**
- **Has 2" x 18" Reflexite reflective tape on each side.**
- **Can prevent workers from falling from tank car platforms.**



Salco's safety guard is easy to attach and detach from the railing. Once attached, the guard can easily be raised to allow access to and from the platform
