

SALCO'S QUICK-INSPECT

Chemical- and weather-resistant, the Quick Inspect Safety Vent's design provides a number of improvements over conventional models and allows easy inspection and cleaning of both sides of the rupture disk

Available in Noryl,
Ryton & Stainless Steel

If needed for your application, Salco can provide adapter flanges that allow the Quick Inspect to be mounted to your car in the field.

Call SALCO to discuss the vent application for the commodity you ship.

NOTE: *Salco has flanges to replace recessed or raised flanges.*
