

**Tank Car Gasket Kits****Gaskets and Services*****DO YOU HAVE ALL OF THE RIGHT GASKETS FOR THAT CAR?*****Avoid Confusion And Costly Errors; Save Time, Feel Confident With Tank Car Gasket Kits From The Rail And Sealing Experts**

With 25 years in the rail industry, you will experience the comfort and security of working with gasket specialists to meet your sealing requirements for your tank cars

**Gasket Kit Features and Benefits:**

- Eliminate risky and costly application mix-ups. Each kit is customized by car type and car number and helps ensure proper gaskets are being placed on each car.
- Minimizes inventory. No need to inventory separate gaskets, just inventory kits.
- Ordering made easy. All-in-one repair kits make it convenient when ordering.
- Ease repair and maintenance. Gasket kits are convenient and saves time gathering the necessary gaskets for application.
- Available in many materials such as: DURLON®, Viton®, Graphite, and PTFE®. For other materials, consult our specialists.
- Comes with a car-set label that identifies each gasket, including part numbers for each gasket.
- Vacuum sealed in plastic to keep gaskets clean.
- Sealing specialists, with over 25 years experience, ready to assist and answer questions.

*A typical car-set kit contains some, or all of the following gaskets : manway, pressure plate, bottom outlet valve, safety valve, and angle valve. Fasteners supplied in each kit as requested.*

*Salco has been providing gasket/sealing products and services for over 25 years.
